Marathon Companies Celebrates Successful Year at Annual Holiday Party:

The Marathon Companies celebrated their annual Holiday Party tradition at the Mansard Inn near our offices in Orchard Park NY. We have been doing these gatherings for over 55 years and look forward to many more. The special night was highlighted with great cocktails, appetizers and an excellent dinner enjoyed by all. President Tod Cislo and the entire Board of Directors topped off the night by dispersing gifts to all that attended by participating in some competitive games. Fun was had by all. In addition, each person in attendance received a beautiful bottle of wine to be taken home and enjoyed. The night would not have been possible without everyone's handwork in 2023. Thanks to all employees that helped us achieve another successful year for the businesses!

Message from Tod Cislo, President of Marathon Companies:

"Nick worked for us as a young man prior to his military career. When I was approached to see if he could intern we were thrilled. I looked forward to seeing how he matured in the military, and I was not disappointed. We are thankful for Nick's services and our best wishes go out to him and his family as he transitions in early 2024 to the next phase of his life and hope his experience with us helps him in his future endeavors."
