Marathon Leaders Visit & Assist Client Rooftop in Buffalo

Members of the Marathon Companies took a visit to a local rooftop job site to help start the installation process. This site is located on Main Street in Buffalo. The project utilized our MRP Supports products that included 250 of our 24x24" Cumaru wood deck tiles & 350 of our PR2 pedestals. This is a building renovation that will include office spaces and a patio section that all members of the building can enjoy.
