Marathon Team attends Bills Conference:

The Marathon team got some early insight into the Buffalo Bills upcoming 2024 season! Tod, Jake & Amanda attended a conference hosted by M&T Bank, who are our banking partner and made us feel part of their team. Buffalo Bills General Manager, Brandon Beane spoke on all the new draft picks joining the team. During the discussion Brandon stressed the need in football, business, and life key attributes. They include leadership culture & for the Bills what they call "STD's" (Strength, Talent & Determination). He also indicated that he believes that no matter how hard it is, it is a must to deal with difficult issues face to face vs today when it is done a lot through technology.

The Marathon team was treated to a tour of the stadium including the press room, locker rooms for both the visiting team and home team and then allowed to walk the actual field. This was a treat since all guests were informed in the future the new stadium will be real grass and no one will be allowed to walk the field to ensure its integrity and health. A great event that gave a lot of optimism for this upcoming football season. **Go Bills!!!**
