Star T

Our Star T support can meet even the most demanding "thresholds." Its compact size makes it a perfect pedestal for renovation. Star T is adjustable from 3/8" to 9/16" and it's compatible with any type of ceramic, concrete, or composite material floor of any size and weight.

Universal Wind Uplift Kit Built in Kerf

Designed for porcelain and concrete pavers, finish your projects faster than ever. The built in kerf saves unnecessary resources for lead projects. A simple peel and stick application designed with the contractor in mind now eliminates the lead time for custom parts to install your wind uplift paver job. Choose our Universal Wind Uplift Kit and get the job done in record time.

Rising Sales Creates Need for Efficiencies through Innovations

The Marathon companies continue to have significant growth. These exciting times creates the need for advancements in systems, technology & equipment to ensure our highest priority which is and always will be our service to our customers. New innovative products propel the companies to bigger & greater opportunities.

A Statement from President, Tod Cislo:

It continues to be an amazing journey for the Marathon Companies. New innovative products help keep us as one of leading forces in a highly competitive environment. We are up to the challenge and more importantly recognize that investing into the businesses is imperative for our long term goals. The future is looking bright, we have the opportunity to do great things. We will accomplish that by effort, teamwork, innovations and by having fun in what we do.

Roofing Expo in Las Vegas
Sept. 23-25, 2023 • Booth #639**

FEATURED PROJECT: KC Current

The professional KC Current Women's Soccer Facility had an impressive pedestal job completed. For this project, our team used 2x2 porcelain tiles with NM adjustable pedestals. This is also the practice facility for the **Kansas City Chiefs**.

Fun Fact: Patrick Mahomes is part owner of the KC Current.

PR Prime Pedestals Series PR1-PR3:

Innovative NEW pedestal that covers more ranges than any other adjustable pedestals in the industry. Suitable for use with all paver types. The new prime pedestal incorporates the features of the NM and SE pedestals combined. Utilizes the self leveling head, tall range, and high weight capacity to create the one of a kind industry changing pedestal.

6" - 16"

2 1/2" - 6"

1 3/4" - 2 1/2"

REP CORNER: David Schroeder

David is co-owner of Pinnacle Sales Corporation. He has been in the industry for over 30 years. The territories David covers are, Illinois, Wisconsin and Minnesota. PSC represents 6+ quality manufacturers in both the commercial and residential sides of the industry. During his free time, he likes to spend time with his wife, children and grandchildren at the lake on the boat and jet skis.
